

**F** **Dm**  
 Since the world began a girl expects a man  
**C** **F** **D7 G7 C7**  
 To bring her tokens of his love  
**F** **Dm**  
 Some bring bags of gold, their lady loves to hold  
**C** **F** **F7**  
 And jewels bright as the stars above  
**A7** **Dm** **Dm7**  
 But my sweetheart's ideals are so much higher  
**G7** **C7** **C**  
 So here's how I fulfil her heart desire...
